Supports & Honors...*

A black history moment...

Many cultures celebrate Black History Month to honor historic achievements and contributions of Black Americans globally, The Boom Boom Family wants to take this moment to celebrate one of its own.

Boom Boom's **President & CEO Mary R. Jones**, a leader, visionary, and accomplished *African American Female*, who served in the United States Air Force for 22-years, was deployed to support several combat missions, and played an intricate role to her Security Forces Squadron / CATM Unit, as a small arms instructor for the M2 Browning 50-caliber Machine Gun, M60, M240B, M249, M203, M-16s, M870, M-14, and M9, in a predominately male profession.

Our leader also served as a Civilian Uniformed Police Officer, and Police Detective for Atlanta's DeKalb County Police Department, where her "*excellence in firearms handling*" was recognized and respected by SWAT members, top-brass command officials, and by her peers.

With Mary's strong firearms background, coupled with her unyielding desire to give-back, she invested in a state-of-the-art laser system to enhance performance, where responsible like-minded individuals could come together using this advanced technology to protect themselves, their families, home and businesses; most importantly, lead by a team of real-world professional military and law enforcement trained experts, like herself. This establishment would be built on strong values, such as integrity, respect, character, ethics, and honor. **Thus, Boom Boom Firearms Training Academy was born!**

Since 2017, Boom Boom Firearms Training Academy, has proudly served hundreds of residents (with an increase in woman gun owners), in Washington, DC, Maryland, Virginia, and surrounding states, providing top-notch unparalleled training for home protection, concealed carry, woman's self-defense, and more.

In 2022, our leader took the helm once again to offer another valuable service to our well diverse clientele **NOW, Boom Boom sells firearms, ammunition & accessories** offering the **best pricing** in the DMV and offering financing

options through Credova as an option. **Boom Boom Firearms FFL, 2nd location is located in Upper Marlboro, MD, same exit as FedEx field!**

Congratulations! to Our President & CEO, an African-American Female, who made Black History in the State of Maryland by being one of only two Federal Firearms Licensed Dealers (FFLs), Regulated by the ATF & Maryland State Police; being in the 1% percentile of Maryland's 6.18 million population. Hats-off to **Mary** for being the only African-American Female veteran-owned firearms dealer in the state of Maryland. We salute you!
